Memorandum for The Federal Elections Commission

From: Candice Miller for Congress

Subject: Return of Contributions

Date: April 19, 2002

The Candice Miller for Congress campaign received contributions from two PACs that it had been assured were registered with the Federal Elections Commission. It has now come to the campaign's attention that these PACs are not registered with the FEC.

In the effort to act in good faith, and to fully comply with all FEC regulations, the campaign has today returned all contributions to these two entities; copies of the checks are attached. The contributions in question are the following:

Great Lakes PAC - \$5,000 on December 28, 2001
Southeast Michigan Business Network PAC- \$1,000 on December 3, 2001
Southeast Michigan Business Network PAC- \$750 on June 14, 2001

The campaign regrets these unfortunate occurrences and will take all necessary steps to ensure continued full compliance with all FEC regulations in the future. The next campaign finance report to be filed with the FEC by the campaign by July 15, 2002 will reflect these actions taken today by the committee.

Thank you for your consideration in this matter. Please advise the campaign of any additional steps that need to be taken in order to ensure complete compliance.
